## BATTERED

Broadwater Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This work of fiction is an amalgamation of composite sketches concerning battered women whom I have interviewed at considerable length over the course of many years. Its fusion was additionally inspired by one battered woman s jury trial and her subsequent imprisonment for the shooting death of her husband. Therefore, this narrative is based both on fact and inspiration, a roman a clef, [translated, a novel with a key]; that is, a thinly-guised account of many actual events. The courtroom scenes are virtually verbatim. Back-and-forth bimonthly (in this case meaning twice a month) correspondence with one female inmate over the course of several years is closely transcribed as written; that is, the inmate s misspellings, poor grammar, et cetera, albeit instances of Caitlin Fitzgerald s (pseudonym) syntax have been altered for the sake of clarity. Too, all other names and locations were changed for obvious reasons. Again, this is a factual accounting framed as fiction. Be prepared to enter a dark world of spousal violence, murder, courtroom drama, a prisoner s life behind bars, and Caitlin s eventual freedom. Embellishment is employed in the final chapter and epilogue solely as a tool to sensationalize and carry the story to its conclusion; otherwise, this narrative is as real as it gets. The theme of this work is awareness: awareness of how the criminal courts work as well as how they fail; awareness of how various police departments work to build a case for the district attorney in lieu of endeavoring to ascertain truth; awareness of inept and corrupt law enforcement officers; awareness of how a criminal defense attorney misserved his client; awareness of the discretionary and unlimited powers...
