## The Path of Dharma

By Ulla Sandersen, Erik Sandersen

Createspace, United States, 2010. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is easy to read. Step by step guiding you through a method of working with self improvement or Ascension, back home. The book works with a series of transformative cosmic images that when viewed while working with the contemplation allows you to make deeper changes than most traditional therapies that focus on specific problems rather than helping you approach your higher self and rise above your past problems. These pictures are familiar! - They are depictions of vibrations we all have within, Archetypes, structures of order, of Dharma. Today, it is more than ever important that we find ways of re-establishing the standards of dharma, righteous living, in our lives. The practise of dharma has deteriorated, because many no longer trust in the sources which traditionally represented the paths of dharma. Everything that exists follows cosmic law and order, dharma. Dharma governs all of existence; a molecule exists because it is held together by exact electrical laws, a healthy society is held together because certain laws are obeyed. and so on. But we humans have reached...
