## Child Neurology Encounter Guides: A Comprehensive Clinician Toolkit for Guiding Child Neurology Encounters

By Julie Sprague-McRae

Dog Ear Publishing, United States, 2014. Paperback. Book Condition: New. 280 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Association of Child Neurology Nurses has developed a collection of Child Neurology Encounter Guides for common neurology conditions. The topics include epilepsy, alteration of consciousness, paroxysmal involuntary movements, headache, post-concussion, tic disorders, developmental delay, and intellectual disability. The guides easily lead registered nurses, doctors of nursing practice, nurse practitioners, clinical nurse specialists, physician assistants, rotating medical students, and residents through an in-person or electronic child neurology encounter. This three-part toolkit- with educational topic overviews, quick reference pocket guides, and data collection tools-is ideal for educational training, protocol development, and quality management. Whether implemented in a private, managed care, or tertiary-level practice, the Child Neurology Encounter Guides can enhance patient evaluation and management efficiency, maximize the child neurology provider's time, and provide patients with access to real-time health care interventions. Julie M. Sprague-McRae, MS, RN, PPCNP-BC, has 39 years of experience in nursing and educational program development for nurses, physicians and patients. She is a pediatric nurse practitioner with Kaiser Permanente's Neurology Department in Fremont, California and is on the clinical practice committee for...

### Reviews

*It is one of the most popular ebook. It usually fails to price an excessive amount of. Its been printed in an extremely basic way in fact it is merely right after i finished reading through this book in which really altered me, change the way i believe.*

-- **Sigrid Brown**

*Absolutely one of the best pdf We have ever read. I really could comprehend every little thing using this written e book. I am easily could get a satisfaction of reading a written publication.*
