Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Invisible Balance Sheet The miracle had happened - Spring had come! For many weeks She had been coquetting with the earth: shy and virginal, She had trailed Her delicate robe of green across the meadow, touched the fruit-trees until they blushed, tempted the flowers from the grass, and then had run swiftly away and hidden from sight, leaving a chill behind. Now, in a night, She had decided to coquette no more - She had come like a Queen to receive Her investiture; She had put on Her royal robes and Her reign was established. There was beauty everywhere. Each bare patch of brown was covered at last, and all the earth was an emerald glow where blades of grass stood up proud and springing with vitality and freshness that proclaimed the story of Life s renewal: golden dandelions and purple violets starred the bright green grass - a regal wealth of colour.
