Robert Rose Inc. Spiral bound. Book Condition: new. BRAND NEW, Piece of Cake!: One-bowl, No-fuss, From-scratch Cakes, Camilla V. Saulsbury, Known as wacky cake, war cake, Depression cake, Joe cake, dump cake or crazy cake, the delicious premise behind them is all the same: it's a cake that can be mixed, baked and served from the same bowl. It's as much, if not more, about what isn't required as what is: No need for multiple bowls; No need to cream the fat (e.g. butter, shortening or oil) with the sugar; No need to separate the eggs; No need to alternately add ingredients while simultaneously mixing; No need to use cake flour or other fancy flour; No need to sift flour; No need for a heavy-duty stand mixer. But what about taste? Pure bliss! Comforting and old-fashioned but surprisingly modern and elegant too. The added bonus is that there is virtually no clean-up. Recipes include: Sticky toffee pudding cake; Brandied Christmas cake; Chai spice with honey frosting; Boozy bourbon bundt; Whole wheat carrot bundt; Chocolate ganache stout layer cake; Lavender-lemon pound cake. In addition to the cakes, there are over 75 icing, glaze, syrup and sauce recipes. Piece of Cake! also features a cook-friendly lay-flat wiro binding and is full colour throughout. These cakes can be prepared in almost the same time as it takes to make a cake from a mix, but the results couldn't be more deliciously different.
