Paperback. Book Condition: New. Paperback. 306 pages. Special 10th Anniversary EditionThe little town of Antares in the Texas Panhandle lacked any real attraction for the new young teacher until Billy Polk appeared in his Geometry class. Mr. Harrison knew he was playing with fire each time he went skinny-dipping with the youthful Adonis out at the remote watering hole, and even more so when he persuaded Billy to pose for nude photographs at his home. They each took small steps toward easing the sexual tension that was growing between them, but it was young Billy who took the quantum leap toward complete fulfillment of their urges. The only person in town who had any idea what might be going on was Phil Baker: Captain of the football team, Homecoming king, built like a Greek god, endowed like a fertility statue, accustomed to receiving tribute to his extraordinary masculinity from anonymous men in a nearby city park, where he satisfied his voracious sexual appetites with them. And now he not only suspected what Billy Polk and Mr. Harrison were up to, he wanted to get in on the fun never guessing that once he succeeded, his fellow student, the two-years-younger Billy, would take from him what he had until then denied the countless men he had been sharing sex with. For good measure, a short story is added, which describes a no-holds-barred sexual encounter between a young man and the object of his adoration that takes place in complete silence. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
