

## The Therapist's Notebook on Positive Psychology: Activities, Exercises, and Handouts

By Bill O'Hanlon, Bob Bertolino

Taylor Francis Ltd, United Kingdom, 2011. Paperback. Book Condition: New. 269 x 208 mm. Language: English . Brand New Book. How can psychotherapists apply the wealth of recent research in Positive Psychology to their clinical work to help their clients change in positive directions? Bill O'Hanlon, who originated Solution-Oriented Therapy in the early 1980s, and Bob Bertolino, an experienced clinician, build the bridge between positive psychology and psychotherapy in this book that allows readers to focus on the mental, behavioral, emotional, cognitive, and spiritual health of their clients. Following the highly readable and user-friendly approach of the Therapist Notebooks, this book contains 75 activities, exercises, and handouts throughout seven chapters that therapists can implement both in sessions and as activities outside the therapeutic milieu. Among the many attractive features included are: \* exercises that follow a standard format for ease of use and implementation \* research findings that underscore the importance of focusing on strengths and well-being \* overviews and suggestions for use that flank each exercise and contextualize them. Readers appreciate the breadth of research and literature covered, the interactive exercises that both clients and clinicians can use, and devices presented to help translate research into practice, such...

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
