Barron's Educational Series. Paperback. Book Condition: New. Paperback. 608 pages. Dimensions: 7.7in. x 4.9in. x 1.3in. The Canterbury Tales is among the earliest of the great narrative poems written in the English language. Its author, Geoffrey Chaucer (c. 1340-1400), penned his masterpiece in a vernacular that was the standard dialect in the southeast of England during his lifetime--a language of rich vitality, but also very different from the English we speak today. This useful volume, updated with an enlightening new introduction by Andrew Galloway, presents readers with the vigor, liveliness, and humor of Chaucer's original Middle English poetry, interspersed line-by-line with Professor Vincent Hopper's modern, graceful, and easy-to-understand translation. This new edition also features four more of Chaucer's narratives, newly translated by Professor Galloway. Here in a newly updated edition is an attractive and approachable textbook for students of English literature. It's also a richly entertaining volume for the enlightened general reader. This new edition gives today's readers an awareness as never before that The Canterbury Tales is one of the great masterpieces...
