Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Tate Publishing Enterprises, United States, 2015. Paperback. Book Condition: New. 178 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.I am a native Baltimorean with a fabulous flare and zest for life. I have a heart for God's people, which has been displayed through my WTB Prayer Ministry. I love to help people who are in distress. My life has not been a bed of ease. I have been challenged with unsuspected health difficulties. My mountain-moving faith in God has moved me to overcome my health problems, which could have taken my very life. As a result, I specialize in beautification from the inside out. I started my journey into entrepreneurship at a very young age. While I was only a child, somehow in my heart, I knew there was a higher power of artistry within my own being waiting to come forth. With that said, my work life is a demonstration of my enthusiasm, determination, education, flexibility, and openness to consistently learning new skills. As I entered the journey to become an entrepreneur, I have been employed with the Maryland State Government for over thirty years, all while continuously pursuing my dreams and goals as a spiritual educator, makeup artist, jewelry consultant, fashion style specialist, model, and author. While engaging in a variety of entrepreneurial endeavors, I earned many certifications along the way.
