Dept. of Veterans Affairs, Office of Inspector General, Office of Healthcare Inspections, 2009 OCLC Number: (OCOLOC)501174329 Subject: Veterans hospitals -- Texas - - Evaluation. Excerpt: . . . Combined Assessment Program Review of the West Texas VA Health Care System, Big Spring, Texas and medical records of patients transferred to other medical facilities. Our review showed that consults, transfers, and staffing were appropriate. Our EOC rounds revealed a clean and safe environment, and we found that managers appropriately maintained equipment. We identified one area that needed improvement. Competencies. We reviewed the competency files and training summaries of three RNs who worked in the UCC, 10 and we interviewed nurse managers. VHA policy and JC standards require that nursing staff assignments be congruent with patient care needs and employee qualifications. The system required that UCC RNs achieve certain competencies annually. These competencies were the performance of: (a) glucose testing, 11 (b) electrocardiograms, and (c) breathalyzer tests. Interviews and our review of the files revealed that: None of the three RNs had current competencies for breathalyzer...
