Munshiram Manoharlal Publishers Pvt. Ltd., New Delhi, India, 1997. Cloth. Book Condition: New. Dust Jacket Condition: New. Second Edition. Women in India gives the reader an overflow of the Indian women from ancient times to the present day. The first part deals with the historical status of the women to the middle of the nineteenth century when India became a colony of the British crown. The second part deals with the native Indian organizations which emerged in the first half of the nineteenth century to meet the challenge of the British missionaries. Then the focus is shifted to the Five-Year Plans in the post-Independence period with special reference to programmes for women. The third part of the book deals with a history of women organizations in India from the early nineteenth century to the present day with a special coverage of the All India Women Conference or AIWC. The conclusions reveal the personal observations of the author who was raised in India and migrated to the U.S.A. in 1960 at the age of twenty-one. Her cross-cultural background has enabled her to provide a unique perspective about the present position of Indian Women. Printed Pages: 175. Size: 14 Cms x 22 Cms.
