Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Evoking the imagery of Roald Dahl if he were to fight his way out of a blender, Not a Princess and the Cow transgresses beyond the traditional fairy tale, empowering, inspiring, and befuddling young and old alike, though this twisted tale is especially well-suited for preteens and young adults. But look at her Father, even dry with her clothes hanging limp, like laundry on the line, she is clearly meant to be my queen! She could not have slept well! She could not! She could not! She could not! I assure you I have never had a poor nights sleep in my life. It isn t true! pleads the Prince. I have never had to count so many as one sheep, neither have I ever awoken before it was time. You do not know what you are saying! the Prince cries leaping to his feet. If I knew what I was saying, I would never bother to...
