### Reviews

*This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).*

## WHEN MY PARENTS FORGOT TO BE FRIENDS

[DOWNLOAD](#)

Barron's Educational Series Inc., U.S., United States, 2007. Paperback. Book Condition: New. 234 x 234 mm. Language: English. Brand New Book. Young children become confused and hurt when their parents constantly argue, then decide to divorce. This sensitively written book assures boys and girls that children are in no way responsible for their parents' inability to get along together. It lets kids know that although one parent chooses to move away from the home, both parents continue to love their little boy or girl. Both Mom and Dad will continue to spend happy times with them. Even very young children have concerns and anxieties, and Tell Somebody Books are written and illustrated especially for them. Parents are advised to read these books aloud while their preschooler listens and looks at illustrations of the boys and girls in each story. Many children in early grades will be able to read the stories for themselves. Tell Somebody Books encourage children to explore their feelings, and then to speak openly about things that trouble them.
