Miniature Masterpieces, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The short story is often viewed as an inferior relation to the Novel. But it is an art in itself. To take a story and distil its essence into fewer pages while keeping character and plot rounded and driven is not an easy task. Many try and many fail. In this series we look at short stories from many of our most accomplished writers. Miniature masterpieces with a lot to say. In this volume we examine some of the short stories of Joseph Conrad. Born in 1857 in Poland, Joseph Conrad became a British citizen just before he turned 30. In the intervening years he lost both parents, becoming an orphan at 11, being thereafter raised by an uncle, who let the boy go to Marseille at age 16, where he began to work on merchant ships - which at times included stints of gun running and the intrigue of political conspiracy. At age 36 his life turned from one of ships to one of literary pursuit. Conrad brought to English literature both a fresh layer of style and a deeper examination of the human psyche in a wealth of works. He wrote many novels, which are correctly regarded today as some of the finest in English literature. Among their canon are Lord Jim, Nostromo, The Shadow Line, and of course Heart Of Darkness. Many of these stories are also available as an audiobook from our sister company Word Of Mouth. Many samples are at our youtube channel // The full volume can be purchased from iTunes, Amazon and other digital stores. They are read for you by Richard Mitchley.
