State and Environment: The Comparative Study of Environmental Governance

By Andreas Duit

MIT Press Ltd. Paperback. Book Condition: new. BRAND NEW, State and Environment: The Comparative Study of Environmental Governance, Andreas Duit, Many recent studies on environmental governance focus on either the micro-level (the local and the individual) or the macro-level (the global) while neglecting governance at the nation-state level. State environmental governance is often perceived as inadequate, insufficient, or constrained by considerations of economic growth. And yet the impact of state environmental governance dwarfs that of the market or international organizations. This book of comparative studies documents the continuing relevance of the state in environmental politics and policy. The book also demonstrates the analytical power of the comparative approach to the study of environmental politics and policy, offering cross-national comparisons of environmental governance in both developed and developing countries. Some chapters are based on qualitative studies from a small number of countries; others offer statistical analyses of quantitative data from many more countries over a longer time period. Topics discussed include alternative approaches to estimating comparative environmental performance; citizens' shifting perceptions of their environmental responsibilities; U.S. and German wind policies; fisheries management in several African countries; and forestry conservation in Bolivia, Guatemala, and Peru. The studies illuminate such key issues as...

Reviews

Merely no words to describe. I have got study and i am confident that i am going to planning to go through yet again once again in the foreseeable future. You will like just how the writer compose this publication.

-- **Devante Schmitt**

Complete guideline! Its this sort of excellent read. I could comprehended every little thing out of this written e publication. Its been designed in an remarkably easy way and it is only right after i finished reading this publication by which really transformed me, affect the way i think.
