GERMAN LEARNING FOR DUMMIES PART 2

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.I am an English-speaker. My mother tongue is English. I am also fluent in French, which I learned earlier in life. So when, about five years ago, I decided to start learning German, I thought at the time that, hey, German could not be more difficult to learn than French with its many tenses and many exceptions. I was sure that I would be fluent in German within a year. Five years later, although I now have a working knowledge of German and am able to participate in conversations, I am still learning this complex language of 100,000 words, tough grammar with three genders and many forms, verb usage requiring super-precision, and many other challenges. Aside from beginners in the German language, this book may also be useful as a reference for English speakers with limited knowledge of German, and, conversely, German speakers with limited knowledge of English. This book has nearly 2,500 pages in total. Unfortunately, Amazon has a maximum limit of 630 pages for any 8.5quot; x 11quot; book published directly through them. Therefore, this book has been artificially divided into 4 parts. If you like the content of this part of the book, it is essential that you get all four parts of the book for proper learning. What...
