O'Reilly Media, Inc, USA. Paperback. Book Condition: new. BRAND NEW, Essential iOS Build and Release, Ron Roche, Managing iPhone and iPad applications can be full of pitfalls. Whether you are a developer looking to spend more time coding and less time figuring out how to sign and install your application, or a build engineer responsible for producing reliable builds continuously; this guide will help you navigate the details of iOS application build and release. You will understand the basics of managing an iOS application beginning with the initial setup, the build process, and ultimately to deployment and distribution. There's a lot more to creating an iOS application than coding in Xcode--this book is your guide to everything that has to happen before, during, and after development ends.
