The author gives the reader in a calm and at times empathetic voice a no-nonsense instruction on every element of the procedures, inside rules, and codes of those involved. The text gives the most essential survival tools in a way that all will understand. Starting from the point of initial law enforcement contact, through the court system, to jail and/or prison, and eventually parole, every stage is covered with expert firsthand knowledge. An excellent reference that all should have at arm's reach.
