

St Paul: The Misunderstood Apostle

Filesize: 1.19 MB

Reviews

It is one of the best books. Indeed, it really is a play, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Sofia Yundt)

ST PAUL: THE MISUNDERSTOOD APOSTLE

[DOWNLOAD](#)

Atlantic Books. Hardback. Book Condition: new. BRAND NEW, St Paul: The Misunderstood Apostle, Karen Armstrong, "St Paul is known throughout the world as the first Christian writer, authoring fourteen of the twenty-seven books in the New Testament. But as Karen Armstrong demonstrates in St Paul: The Apostle We Love to Hate, he also exerted a more significant influence on the spread of Christianity throughout the world than any other figure in history. It was Paul who established the first Christian churches in Europe and Asia in the first century, Paul who transformed a minor sect into the largest religion produced by Western civilization, and Paul who advanced the revolutionary idea that Christ could serve as a model for the possibility of transcendence. While we know little about some aspects of the life of St Paul - his upbringing, the details of his death - his dramatic vision of God on the road to Damascus is one of the most powerful stories in the history of Christianity, and the life that followed forever changed the course of history."
